# Welcome TO THE USEF JUMPER SHOWS AT BEVERLY

**At Beverly,** we believe the heart of our sport lies in its grassroots. Every rider begins somewhere, and our mission is to ensure that all competitors—whether just stepping into their first jumper class or preparing for larger circuits—have a place where they feel welcomed, supported, and celebrated.

This fall marks the debut of Beverly's USEF-rated jumper competitions:

- The Beverly Premiere (October 24–26, 2025)
- The Beverly Classic (October 31–November 2, 2025)

These competitions build upon the foundation of our local show series and November Finals, extending the same values of accessibility, organization, and community into a rated environment.

Our venue has been thoughtfully designed to support this mission. Beverly features permanent stabling, multiple all-weather arenas, a sweeping derby field, manicured schooling areas, and elegant viewing decks. Competitors can expect a polished and professional atmosphere, attentive management, and a championship-level experience.

Beverly's inaugural USEF jumper shows are designed for all levels:

- *Grassroots riders gain a pathway into rated sport.*
- *Seasoned competitors enjoy a high-quality, competitive venue from .65m to 1.25m.*

All riders share in a community-focused premier event atmosphere.

We are proud to welcome you to Beverly for this milestone event. Thank you for joining us as we celebrate sport, progress, and the journey of every rider.

*The Beverly Team*

# KNOW THE SIGNS

USEF HORSE WELFARE

See Guidelines

*USEF has developed horse welfare guidelines based on the stoplight system to help us recognize acceptable or unacceptable interactions between horses and humans*

## GREEN

*horse friendly*

The horse appears happy, willing, and content.

The connection between horse and human is harmonious and in sync.

## YELLOW

*cautionary*

Actions that cause you to pause and question whether they are acceptable.

Some actions may be acceptable for a very short period of time but may escalate to mistreatment if pressure or conflict increases in intensity.

## RED

*unacceptable OR not okay*

Actions that make you think, "This is not okay."

Actions that make you immediately think,  
"This behavior must stop."

Sometimes athletes can be acting in the red zone without even realizing it - these situations may be resolved by a licensed official interrupting the training, discussing the issue, and providing a verbal warning.

*If you see an interaction that falls into the red zone, please alert an official to the situation and submit a report.*
