Welcome

THE BEVERLY FALL CLASSIC

At Beverly, we believe the heart of our sport lies in its grassroots. Every rider begins somewhere, and our mission is to ensure that all competitors – whether stepping into their first crossrail class or preparing for larger circuits – have a place where they feel welcomed, supported, and celebrated.

This October, Beverly Equestrian hosts the Beverly Fall Classic (USEF Competition No. 346197), a USEF-rated, multi-discipline hunter and jumper competition in the heart of Hunt Country. Ticketed schooling opens Friday, October 2, with competition Saturday and Sunday, October 3-4, 2026.

Building on our local show series and November Finals, the Fall Classic extends the same values of accessibility, organization, and community into a rated environment. Divisions span the full entry-level ladder – from crossrails and short stirrup through the open warm-ups – up to 1.20m jumpers and hunters to 3'0", so every rider has a rung to reach for. Our venue has been thoughtfully designed to support this mission. Beverly features permanent stabling, all-weather arenas, a sweeping derby field, manicured schooling areas, and elegant viewing decks. Competitors can expect a polished, professional atmosphere, attentive management, and a championship-level experience.

The Beverly Fall Classic is designed for all levels:

- Grassroots riders gain a pathway into rated sport.
- Seasoned competitors enjoy a high-quality, competitive venue in Hunt Country.
- All riders share in a community-focused, championship atmosphere.

We are proud to welcome you to Beverly for this fall tradition. Thank you for joining us as we celebrate sport, progress, and the journey of every rider.

Report any stall part in need of repair to the Stable Office before use; absent such notice, the assigned stall is deemed safe by the exhibitor. JUMPER SPECIFICATIONS

Class specifications. All jumper classes are conducted under current USEF rules. Management reserves the right to combine, divide, or cancel classes if entries warrant.

Blue Ribbon Rounds. Offered under the competition's Misc. Jumper section and non-rated: no points and no prize money. Each is scored as a Clear Round under Table II per USEF JP146.1; there is no jump-off and every horse completing the course clear receives a blue ribbon. Open to all horses and riders, no qualifying class required, and a horse may enter one in addition to any other class. All USEF entry, membership and health requirements apply as in any other class.

Open classes. Open to all horses and riders without restriction as to rider status.

Classic qualification. To compete in any Classic, horse and rider must have completed at least one class at the same height section during the competition.

Classic purses. If fewer than eight (8) horses compete in a Classic, the class is run for a reduced purse of one half of the published purse, distributed by the same six-place schedule; the number of places paid will not exceed the number of horses completing the class. This reduction does not apply to Class 655, which is run for its full published purse and pays its full eight places as a North American League and Washington International Horse Show Championship class. Reduced purses are: Class 155 – \$250; Class 355 – \$375; Class 455 – \$475; Class 803 – \$425; Class 755 – \$1,250.

Speed Stake. The \$2,500 Beverly Speed Stake at 1.20m is a feature class, not a Classic – it is open to all horses and riders and no qualifying class is required. Scored under Table II, Sec. 1. If fewer than five (5) horses compete, the class is run for a total purse of \$1,000, distributed by the same six-place schedule (\$300 · \$220 · \$150 · \$130 · \$100 · \$100); the number of places paid will not exceed the number of horses completing the class.

Nomination fee. None.

Ties. Ties involving first place are jumped off. Ties not involving first place are decided on time in the first round unless otherwise stated.

Cross-entry (Zone 3). Jr/Am 1.0m–1.05m and 1.10m–1.15m combinations may cross-enter between those divisions but may enter only one Classic. 1.0m–1.05m riders may not cross-enter above 1.15m; 1.10m–1.15m riders may not cross-enter above 1.25m at the same competition.

Thoroughbred Jumper (Take2). Jumper fences 1.0–1.05m. Open to Thoroughbreds registered with The Jockey Club or eligible for Jockey Club registration.

General Rules (Jumpers). Time allowed. Based on a speed of 382 yards per minute unless otherwise noted, and may be adjusted.

Attire. Proper attire is required per USEF. Solid or tactful polo shirts are acceptable for non-Classic classes; no t-shirts, sleeveless, or scoop-neck shirts. Riders should be neatly turned out.

Numbers. Office-issued numbers must be worn on the rider's back or clearly displayed on the horse; small bridle or martingale numbers are not acceptable.

45-second rule. Observed in all jumper classes and Classics.

Jump order. Per USEF JP111.2. Riders must declare the day prior by 4pm and ensure they are on the jump order before the class starts.

Draw reins / German martingales. May not be used in any class restricted to ponies, Juniors, and/or Amateurs, or by age of horse; may be used only in a conventional manner when schooling or in classes with no prize money offered at 1.20m or below; not on ponies when ridden by a Junior. No other head-setting devices (chambon, etc.) are permitted.

Welfare & Schooling. No poling or offsets on the grounds. Excessive use of force or striking a horse in the head, neck, or in front of the girth, results in disqualification. Disregard of the schooling rules results in elimination and forfeiture of that class's fees; officials and the Steward may issue charges or warning cards.

Championships. Champion and Reserve Champion are awarded in the Junior/Amateur sections and in the Thoroughbred Jumper section, in which at least three (3) classes are held. Championships are decided on points won in the classes of the section, per USEF JP110. Open and Blue Ribbon classes are excluded. Except where otherwise noted, points are credited for the first six ribbons only: first place 10, second 6, third 4, fourth 2, fifth 1, sixth one half. Ribbons carry the same value where fewer than six places are awarded for lack of entries. A score card of winnings is posted at the show office and available to exhibitors throughout the competition. Ties for a Championship remain tied, and tied horses receive equal legs on any trophy. Open and Blue Ribbon classes are not part of any section and earn no championship points.

Proof of Vaccination

A signed statement from the attending veterinarian that the horse has been vaccinated against the following: Equine Influenza within 6 months (180 days) of each show, and EHV-1 and EHV-4 within 6 months (180 days) of each show. If a vaccination will expire during the show, the horse must receive its new vaccination before being issued a competition number.

Virginia Health Certificate (Certificate of Veterinary Inspection)

The Virginia Department of Agriculture and Consumer Services requires each horse originating from out of state to have a valid Certificate of Veterinary Inspection (Health Certificate) dated within 30 days of entry into Virginia.

Presentation of Health Requirements

Equine Health Entry Requirements are required for all horses entering the show grounds, both showing and non-showing. These documents must be filed in the show office before any competition numbers will be issued, and random checks will occur. Keep a copy of all records in an easily accessible spot; the horse's registered (show) name must appear on all required papers.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the required documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever, illness, or stress is subject to examination by show staff and/or the Show Veterinarian, who may, at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

Ship-ins

All ship-ins (showing or non-showing) must file the proper health requirements in the show office and be prepared to present those records at any time while on the grounds. Ship-ins/day-trippers are subject to random checks by show staff. If proper records are not immediately available, the horse(s) must remain under show-staff observation until the paperwork is presented, or will be asked to leave the grounds.

Fever / infectious disease

Any horse on grounds with a temperature of 101.5°F or higher must be reported to the official show veterinarian. Upon veterinary examination, if diagnostic testing is deemed necessary, testing will be conducted at the owner's expense. If the veterinarian suspects infectious disease after inspection, the horse will be required to go to isolation or off the property.

Management Rules & Policies

MANAGEMENT AUTHORITY & LIABILITY

BEVERLY EQUESTRIAN, LLC ("MANAGEMENT") RESERVES THE RIGHT TO INTERPRET ALL QUESTIONS AND CONDITIONS IN REGARD TO, ARISING OUT OF, OR INCIDENT TO THE SHOW WITHOUT CLAIM FOR DAMAGES OR RECOURSE OF ANY KIND. ALL QUESTIONS NOT COVERED IN THESE RULES AND REGULATIONS SHALL BE DECIDED BY MANAGEMENT IN ITS SOLE DISCRETION, AND ITS DECISION SHALL BE FINAL.

Management reserves the right to limit entries in any class, section, or division; to refuse, accept conditionally, or cancel any entry; to disqualify any rider or exhibitor; to prohibit exhibition of entries and cancel award prizes, without any claim for damages; to change any course, add a dotted line, cancel or combine any unfilled class, or reschedule classes after due notice to exhibitors; to change rings or rotate judges; and to change specifications in jumper classes as competition warrants.

Every horse entered is under the control of Management, but Management will in no case be responsible for any loss or damage that may occur. It is a condition of entry that each exhibitor hold the show and its officials, employees, directors, officers, and sponsoring entities, and the facility at which the show is held, blameless for any loss or accident to the exhibitor's horse(s), employee(s), or equipment arising from sickness, fire, or any other cause.

Errors & Omissions

While every effort has been made to ensure accuracy, Management assumes no liability for typographical or other errors in this prize list. Any significant error or change will be disclosed to affected exhibitors upon acceptance of entry and otherwise in accordance with USEF rules.

WARNING – Virginia Equine Activity Liability Act. Under the Code of Virginia (Va. Code § 3.2-6200 et seq.), an equine activity sponsor or equine professional is not liable for an injury to, or the death of, a participant in equine activities resulting from the intrinsic dangers of equine activities. Exhibitors, owners, and their agents are personally responsible for damage or injury caused by themselves, their employees, agents, horses, or dogs, and are strongly advised to carry their own third-party liability insurance.

Governing Law, Venue & Claims Deadline

These Rules and Policies, and all disputes arising out of or relating to the show or Management's operation of it, are governed by the laws of the Commonwealth of Virginia, without regard to conflict-of-laws principles. The parties agree to attempt to resolve any dispute informally; failing that, exclusive venue for any action shall lie in the state courts located in Fauquier County, Virginia. Any objection to show charges must be made in writing within seventy-two (72) hours after the close of the show; charges not disputed within that period are final. Any other claim must be brought within one (1) year.

Entry Procedure

- Entries must be submitted online via Showgrounds Live (ShowgroundsLive.com). Faxed, mailed, emailed, or texted entries will not be accepted.
- Visa, MasterCard, Discover & American Express are accepted. A 3.99% convenience fee is added to all credit card transactions.
- A valid credit card is required on file at the time of entry. By submitting an entry, the exhibitor authorizes Management to hold the card on authorization and to charge it as provided in these rules. Back numbers will not be issued until a valid card is on file.
- The Facility Fee, Office Fee, stabling, and all other applicable fees must be submitted with the entry, or the entry will be considered late.
- Each entry must be complete, including Prize Money Payee, all USEF/USHJA numbers, and required signatures.
- Signatures. No entry will be accepted, and no back number issued, unless the entry is signed by the exhibitor and, for a minor, by the minor's parent or legal guardian. The signature of an unrelated person will not be accepted.

Fees

The following fees apply to this competition. All are payable with the entry unless stated otherwise.

- Facility Fee – \$100 per horse, all horses, showing and non-showing. Covers competitor use of the facility: rings and schooling areas, restrooms and grounds, and the availability of EMT, veterinarian, and safety vehicles and operators.
- Office Fee – \$65 per entry, non-refundable in all cases. Includes online entries, class management, live scoring, ring status, and other show administration.
- Ship-in Fee – \$50 per horse, in addition to the Facility Fee. Covers the horse's accommodation on the grounds for the day: a trailer area with water and trash removal. Every horse on the grounds is charged either a Ship-in Fee or a stall fee, never both.
- Class and division fees, ticketed schooling, stabling and consumables are published on ShowgroundsLive.com and are charged as ordered.

Management Rules & Policies ^{cont'd}

Entry Policy

- Entries will not be accepted until all previous balances with Beverly Equestrian are settled.
- Entries received after the Closing Date, Tuesday, September 22, 2026, are late and subject to the Post-Entry Fee of \$50 per horse. (Late entries remain open, subject to availability.)
- An entry that is incomplete, or that is submitted without the required documents, is subject to an Incomplete Entry Fee of \$50 per horse. An entry is incomplete if the horse, owner, rider or trainer is not fully identified – including a horse entered as "Entry" or "TBA" – or if USEF or USHJA numbers, the Prize Money Payee, or required signatures are missing. Required documents are those set out under Equine Health Entry Requirements: a negative Coggins, proof of vaccination and, for horses originating out of state, a Certificate of Veterinary Inspection. The Post-Entry Fee and the Incomplete Entry Fee are separate and both may apply to the same entry.
- Accounts must be closed at the end of the show. Exhibitors are encouraged to close out in person; those who do not, automatically authorize Management to close the account using the card on file. By submitting an entry, exhibitors consent to this close-out procedure.
- Billing adjustments will be considered only if submitted in writing within 72 hours after the show concludes.
- Adds after the 4pm closing time for the next day are accepted at the show office subject to availability plus a \$15 late add fee.
- These scratch and refund policies are Management's stated refund policy under USEF GR911.1. Postponement or cancellation for weather, air quality, or other causes beyond Management's control is governed by the Weather / Uncontrollable Event / Postponement Policy below, which is the statement required by GR901.11.

All accounts must be paid in full and closed out no later than one (1) hour after the conclusion of the competition. By submitting an entry, the owner, rider, trainer, and agent jointly and severally agree to pay all fees and charges incurred and authorize Management to charge any unpaid balance – including added and day-of charges – to the credit card provided with the entry. Prize money and awards are applied to the exhibitor's account and released only after the account is paid in full. Any account not settled by the deadline above is subject to a \$50 close-out fee per entry. Submission of an entry constitutes agreement to these terms and to the Federation Entry Agreement.

Billing Policy

- All entry, stall, feed, and other charges are to be paid in full by the end of the show.
- Prize money is applied only if the payee has provided a valid SSN or Federal Tax ID and complete valid mailing address. Net prize-money credits are issued as a check within 30 days as required by USEF, valid for 60 days from issuance; re-issuance must be requested within 90 days.
- At year end, tax-eligible recipients receive an IRS Form 1099-MISC reporting taxable prize-money income.

Scratch / Change

Once a class or division has begun, it may not be scratched except in the case of a **Veterinary Scratch**, which must be processed through the show office on or before the day of the class and accompanied by a certificate from the Official Show Veterinarian received that day. Applicable fees still apply. A class that has closed may not be scratched.

- **Day-of Scratch for Special Classes & Classics** – Fee \$50 + class fees, as applicable
- **Horse Substitution** – Fee \$60 per substitution + class fees, as applicable
- **Shown but Not Entered** – Fee \$20 per class + class fees, as applicable
- **To be eligible for a Classic**, the horse/rider combination must have competed in at least one class in the applicable section.

Combining, Dividing, or Canceling Classes

The decision to combine, cancel, or divide classes is made at Management's discretion within one hour of the close of the show office the night before the class, and is noted on the "How Many" schedule online. No other notice is required or given. A class combined for insufficient entries will not be re-divided day-of; a class offered as split may be combined day-of if scratches warrant; a class cancelled for insufficient entries will not be reinstated day-of.

Refunds

- Pre-paid fees are refunded only on a written scratch received on or before the Closing Date (Sept. 22), less the non-refundable \$65 Office Fee. No refunds are given for fees on entries scratched after the Closing Date.
- Stall fees are non-refundable as of the Closing Date; the office fee and tent stall fees are non-refundable in all cases.
- Eligible refunds are issued within 30 days of the close of the show.
- The Office Fee is non-refundable in all cases. Billing questions and refund requests will not be considered more than 72 hours after the show concludes.

Move-In / Move-Out & Office Hours

Move-in begins at 7 AM on the Friday before the competition (schooling day). Off-hour arrival or departure is allowed only with prior approval of Management and may be subject to a staffing fee. The show office is open each show day from 7 AM until 4 PM, unless otherwise posted or indicated.

Management Rules & Policies ^{cont'd}

Postponement or Cancellation ("Uncontrollable Event") Policy

If weather, air quality, an outbreak of a communicable equine disease (such as equine herpesvirus/EHV), or other circumstances beyond Management's control – including but not limited to fire, storm, flood, or a facility emergency – require Management to postpone or cancel this competition or any portion of it, as determined by Management or as directed by USEF or state animal-health authorities, entries will be honored on the rescheduled date. A competitor unable to attend the rescheduled date, or whose classes are not held, will receive a credit for the entry and class fees, the Facility Fee, the Ship-in Fee, and any unused permanent-stall fees. The credit may be used at Beverly's monthly recognized shows or at the next running of this competition. Used at a monthly show, it is valid for six months from the original competition date; used at the next running of this competition, it remains valid for that competition whenever it falls. A credit must be applied in full to a single competition and may not be divided across shows or transferred. Credits are issued automatically; no request is required. No refunds of show fees are issued for a postponement or cancellation under this policy; the credit described above is the sole remedy. The \$65 Office Fee and tent stall fees are non-refundable in all cases, are never returned, and are not included in a credit. Federation fees (USEF/USHJA) are a pass-through Beverly owes only if the competition runs; for any horse that does not compete they are returned in all cases and are not included in a credit.

This policy applies only when conditions beyond Beverly's control cause a postponement or cancellation. A competitor who chooses not to attend a competition held as scheduled follows the standard scratch and refund rules above.

Stabling

Permanent stalls are approximately 10' x 10' with mat floors and no doors; portable doors are available for rent while supplies last (\$50). Permanent stalls are \$200 for the weekend and tent stalls are \$375, each covering Friday, October 2 through Sunday, October 4; other dates are available by special arrangement. Stalls are available first come, first served. Stall fees are non-refundable after the Closing Date; tent stall fees are non-refundable in all cases. Cancellations are governed by the Weather / Uncontrollable Event / Postponement Policy. Any stall order made by any method is an official order and payable. Stalls are not transferable or sublet except within the same trainer or barn group. Shavings are available through the show's preferred vendor. Straw or other bedding is permitted only by prior approval of Management for a documented health need; a clean-up fee may apply. Off-site shavings incur a \$25 manure-disposal fee per stall. Notify the show office of any stall part in need of repair; absent notice, the assigned stall is deemed safe by the exhibitor.

Exhibitors are responsible for using only the stalls assigned to them. Any unassigned stall used for horses, tack, feed, grooming, dogs or the storage of any item will be added to the account and billed at the applicable stall rate.

Required Health Documents

On arrival, every horse must present a negative Coggins within 12 months, Equine Influenza within 6 months and proof of EHV-1 and EHV-4 vaccination within 6 months; out-of-state horses must carry a 30-day interstate health certificate. A USEF-approved microchip must be on file with USEF/USHJA as required. Non-showing horses on the grounds are subject to the same requirements.

Services & Feed

- Hay, grain, and bedding may be purchased online or through the show office. No commercial feed or bedding source may deliver on the show grounds.
- Trainer's Splits: submitted by close of business Friday; only items billed by the show (feed, bedding, tack stalls, etc.) are split; dollar amounts only, rounded up; uncollected splits revert to the trainer for payment.

Non-Negotiable Checks / Credit Cards

Returned checks or declined/disputed cards, for any reason, are assessed a penalty of \$50 or 10% of the face value, whichever is greater, plus any bank fees. Upon notification, the exhibitor has three days to pay in full in certified funds. Sanctioning organizations are notified on failure to pay within three days. A service fee equal to 18% per annum accrues after 30 days. First-time returned checks are automatically redeposited; a declined card is resubmitted. A closed account, stop payment, incorrect card information, or chargeback is turned over to sanctioning organizations immediately.

Repeat occurrences. Any party who has submitted a returned check, or disputed or charged back a card, must pre-pay in full for future stalls and entries before the show begins. Cash-only may be required.

Prize Money

Prize money is applied to entries when conditions are met. The payee defaults to the Owner if a recipient is not provided on the entry. A valid SSN or Federal Tax ID and complete mailing address must be provided to release payment. If not provided by the end of the show, prize money in excess of the show bill is withheld until provided, and is forfeited if not provided within 90 days; prize money will not be reissued after 90 days. Prize money is withheld where the IRS has notified a discrepancy in payee name or tax ID, or where an outstanding balance exists on the account. Prize money won by foreign exhibitors is subject to 30% U.S. withholding; a Form W-8BEN is required prior to payment. Prize money is awarded through 6th place in hunter classes and 6th place in jumper classes; payout is based on on-time entries. A class with fewer than three entries will not award prize money.

Social Media Policy

Beverly encourages positivity in the use of social media and urges those posting about Beverly Equestrian, its management, shows, exhibitors, officials, equine athletes, and others to exercise good judgment. We urge users to refrain from derogatory, offensive, inflammatory, or false comments about other athletes, trainers, Beverly Equestrian and its management, equine athletes, USEF, or any individual associated with Management's horse shows. USEF Rules & Membership Requirements

UNITED STATES EQUESTRIAN FEDERATION

EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

USEF Membership Statement

Life, senior active, and junior active members shall be eligible to participate in all classes at Regular Competitions. A non-member may participate as a handler, rider, driver, owner, lessee, or agent at Regular Competitions upon payment of a Show Pass fee. Participants in the following classes are exempt from this requirement: (1) leadline; (2) exhibitions; (3) games and races; (4) classes for 4-H members; (5) walk-trot and academy classes (academy classes are limited to horses used regularly in a lesson program); (6) USDF introductory-level tests, pas de deux, and quadrille classes; (7) assistant handlers in Dressage Sport Horse Breeding classes.

Membership & Participation Requirements

The following must be in order before back numbers are issued. The exhibitor bears ultimate responsibility for proper registration of horse, owner, rider, and trainer, and for entering the horse under proper ownership where points are concerned.

- **Membership.** Each Owner, Rider, and Trainer must hold current USEF membership – or a non-member must pay the USEF Show Pass fee – to participate in Regular Competition classes (see the exemptions above). Where USEF/USHJA points are earned, current USHJA membership is also required.
- **Entity ownership.** Where a horse is owned by a farm, partnership, corporation or other entity, at least one recorded owner of that entity must hold a current USEF and USHJA Competing Membership.
- **USHJA show pass.** Owners and riders are limited to one USEF show pass per competition year. Trainers must hold current USEF and USHJA memberships and may not compete on a show pass.
- **Amateur status.** Riders competing in Amateur or Adult sections must hold a current USEF Amateur Certification.
- **Microchip.** All horses competing in USEF Hunter, Jumper, and Equitation classes must have a USEF-approved microchip number on file with USEF and USHJA.
- **Horse recording / registration.** Horses must be recorded with USEF and registered with USHJA as required for the classes entered.
- **SafeSport.** Every USEF adult member (18 years or older) with a Competing Membership – and any junior who has reached their 18th birthday – must complete U.S. Center for SafeSport training before competing.

Statement as to Federation Fee

Per GR407.1-3, for every horse participating in any competition licensed by the Federation, a \$25 Federation Fee will be collected, of which \$15 is an Equine Drugs & Medication Fee to provide for research, inspection, and enforcement of the rules regarding the use of medications and drugs. A USHJA fee of \$5 per horse is also collected at this competition. Competitors who are not USHJA members pay the \$30 non-member show pass described above.

Safe Sport Statement

All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, the USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies (MAAPP); more information is available at www.usef.org. Every USEF adult member (18 years of age or older) with a Competing Membership must complete SafeSport training, and junior members who have reached their 18th birthday must complete SafeSport. Failure to complete the training will disqualify a member from competing in any capacity until it is completed.

Motorized Vehicle Statement

Every vehicle operator must have a valid driver's license and proof of insurance. Motorized vehicles may be operated only by licensed drivers, consistent with GR1301.7 & GR1301.8 listed below:

- Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
- The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The Wofford Arena, Beverly

Equestrian's premier hunter arena, is named in honor of Jim Wofford—Olympian, coach, author, and one of the most influential horsemen in American eventing.

Jim's connection to Beverly runs far deeper than his remarkable accomplishments in the sport. When Beverly's founders first came to Virginia, they were based at Fox Covert Farm, where Jim and Gail Wofford created a training environment rooted in thoughtful horsemanship, discipline, and the systematic development of both horse and rider. That philosophy helped shape not only Beverly's approach to training, but also the design and character of the facility itself.

Today, the Wofford Arena serves as the heart of Beverly's training program—a place where riders develop confidence, partnerships grow, and countless firsts take place, from first lessons to championship rounds.

We are honored to recognize Jim Wofford's enduring legacy and grateful to the Wofford family for allowing us to dedicate this arena in his memory. We hope every rider who enters the ring carries forward the values he championed: horsemanship, sportsmanship, humility, and a lifelong commitment to learning.

"Gorgeous barn and lovely experience."

"The facilities are second-to-none and the horses are well cared for and well trained."

"The facilities are exceptional—well-maintained stables, pristine arenas, and beautiful trails that really enhance the overall experience."

Exhibitors are responsible for their staff's compliance. A stall not left in good condition will be assessed a \$500 fine, on the same basis as the fine for trash or manure left in a stall.

Animal Welfare & Emergency Care

All horses must be treated with kindness and respect; USEF rules governing the welfare of the horse and the use of whips are strictly enforced. No poling, offsets, or excessive use of the whip will be tolerated.

In the event of an acute and serious injury or illness of a horse on the competition grounds when the owner, trainer, or the owner's agent is not present, and after reasonable effort to contact that individual has been made, Management, in consultation with a licensed equine veterinarian, may authorize emergency veterinary treatment of the horse. KNOW THE SIGNS

USEF HORSE WELFARE

See Guidelines

USEF has developed horse welfare guidelines based on the stoplight system to help us recognize acceptable or unacceptable interactions between horses and humans

GREEN

horse friendly

The horse appears happy, willing, and content.

The connection between horse and human is harmonious and in sync.

YELLOW

cautionary

Actions that cause you to pause and question whether they are acceptable.

Some actions may be acceptable for a very short period of time but may escalate to mistreatment if pressure or conflict increases in intensity.

RED

unacceptable OR not okay

Actions that make you think, "This is not okay."

Actions that make you immediately think,
"This behavior must stop."

Sometimes athletes can be acting in the red zone without even realizing it - these situations may be resolved by a licensed official interrupting the training, discussing the issue, and providing a verbal warning.

If you see an interaction that falls into the red zone, please alert an official to the situation and submit a report.
