BEVERLY SHOW SERIES HUNTER & JUMPER FINALS

NOVEMBER 21, 2026

v.1.3

Welcome

TO THE BEVERLY SHOW CIRCUIT FINALS!

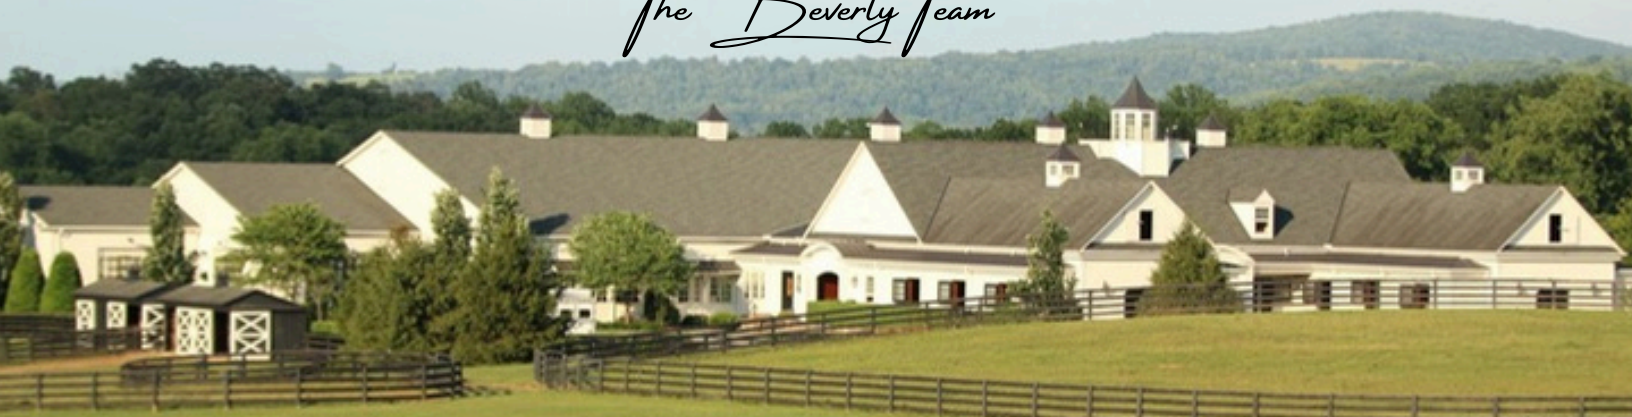

We are thrilled to welcome you to the second annual
Beverly Show Circuit Hunter & Jumper Finals!

November 21 is more than just a show – it's a celebration of grassroots riders who have worked all year to earn their place here. Now in its second year, the Beverly Circuit Finals brings together hunter and jumper riders for a championship experience that celebrates their dedication, progress, and accomplishments throughout the season.

From Friday's schooling sessions to the Jumper and Hunter Finals on Saturday, every class is designed to honor your journey, your progress, and your love for the sport.

To all riders, families, trainers, volunteers, and sponsors:
Thank you for being part of another memorable season at Beverly. We look forward to celebrating with you at our
second annual Circuit Finals!

The Beverly Team

WHAT YOU CAN EXPECT

Competitors at the Beverly Show Circuit Finals will enjoy a polished, organized, and welcoming experience at Beverly's permanent polo barns and grand prix complex, which returns as the home of Beverly's second annual Hunter/Jumper Circuit Finals.

The venue features permanent stabling, dedicated show rings and warm-up areas, and ample trailer parking, offering a professional atmosphere with the comfort and accessibility riders appreciate. The event begins with Friday ticketed schooling on November 20, with unjudged rounds for horses and riders to settle in. On Saturday, November 21, the Jumper Finals and Hunter Finals will run concurrently in the Grand Prix arena, which will be divided into a hunter ring and a jumper ring. Each ring has its own warm-up at opposite ends of the complex, on the sand and fiber footing of the track. The schedule is subject to adjustment based on entries.

Please note: The 2026 Circuit Finals is not a VHSA- or BHSA-recognized competition, and Beverly Circuit points are separate from VHSA and BHSA standings. All riders are welcome and receive placings, and every rider is eligible for Champion and Reserve. Points earned at the Finals count toward the Beverly Circuit leaderboards and count double for qualified riders.

Throughout the season, riders earn Beverly Circuit points at Beverly's qualifying shows across the Winter, Spring, Summer and Fall Series and the USEF-rated Classics.

ONCE HERE *always home*

From Virginia's storied countryside to Florida's premier winter showgrounds, horse country is a way of life, no matter the season.

Jumper Specifications

- Divisions follow BHSA/VHSA specifications by name, height, and rider eligibility.
- Unjudged trips are allowed at the jumper class fee, and then only after a judged trip, if any, in the same class.
- Ties are not decided in a jump-off but decided by time in the first round.

Jumpers 2'9" and higher: there are no optimum time classes (Table IV 1) for the 2'9" (80cm) and higher jumpers. These run under Table II 1, Table II(2)(b) or Table II(2)(d). Note that USEF requires classes under .90m for child/adult amateurs to run under optimum time; the local show does not follow that format for the 2'9" classes.

Poles/Cross Rails/Small Verticals (Participation): Open to horses and ponies. No cross entry with classes at 75cm and above.

Pre-Novice Jumper 2' (BHSA Puddle Jumper): Open to horses and ponies. No cross entry with classes 1.0m and above, including riders.

Schooling, Modified and Performance Jumper: No restriction on horses/ponies or riders. May be combined with Children's/Adult Amateur Jumper.

Limit Rider Hunter: Open to horses and ponies ridden by Juniors/Adult Amateurs. Riders may not cross enter into any class with fences 2'6" or higher. Horses and ponies may cross enter. Fences a minimum of 2' and not to exceed 2'3". This division may be combined with Low Hunter.

If there is only one entry we will still run the class.

Beverly Mini Medal - 2'3": Open to junior and amateur riders. To be shown over a shortened jumper-style equitation course at a forward, balanced pace, at inviting heights appropriate for developing competitors. Judged on the rider's position, accuracy, effectiveness, and overall rideability. The course will introduce basic technical questions such as changes of direction, bending lines, and long approaches appropriate for this level. Faults will be considered in the overall equitation score. May be ridden in standard jumper tack. Martingales permitted.

Jr/AA Jumper Equitation - 2'6"/2'9": Open to junior and amateur riders. To be shown over a jumper-style equitation course at a forward, balanced pace. Riders may be asked to return for a work-off at the judge's discretion. Faults will be considered in the overall equitation score. May be ridden in standard jumper tack. Martingales permitted.
