# Welcome TO USEF BEVERLY

**Welcome to the Beverly Spring Classic**, a USEF-licensed Hunter/Jumper & Equitation competition held May 23-24, 2026 at Beverly Equestrian in The Plains, Virginia, in the heart of Northern Virginia's horse country.

The Beverly Spring Classic continues the momentum established by Beverly's USEF events launched in fall 2025, and reflects our ongoing commitment to offering high-quality, well-managed sport in an amateur-forward environment. This spring weekend expands the Beverly recognized calendar by bringing Regional Hunters, Level 2 Jumpers, and a thoughtfully strengthened Equitation offering to the same venue, team, and community you already know.

Our goal is simple: deliver a professional, safe, and enjoyable show experience—one that supports riders at every stage, from first rated starts to competitors building toward bigger season goals. Beverly's facilities were designed with that in mind, featuring premium footing, permanent stabling, multiple arenas and schooling areas, and a show layout built to keep the day organized and competitor-friendly.

Thank you for choosing to compete with us. We are proud to welcome you to Beverly and look forward to a weekend rooted in community, access, and excellence in sport.

# KNOW THE SIGNS

USEF HORSE WELFARE

See Guidelines

*USEF has developed horse welfare guidelines based on the stoplight system to help us recognize acceptable or unacceptable interactions between horses and humans*

## GREEN

*horse friendly*

The horse appears happy, willing, and content.

The connection between horse and human is harmonious and in sync.

## YELLOW

*cautionary*

Actions that cause you to pause and question whether they are acceptable.

Some actions may be acceptable for a very short period of time but may escalate to mistreatment if pressure or conflict increases in intensity.

## RED

*unacceptable OR not okay*

Actions that make you think, "This is not okay."

Actions that make you immediately think, "This behavior must stop."

Sometimes athletes can be acting in the red zone without even realizing it - these situations may be resolved by a licensed official interrupting the training, discussing the issue, and providing a verbal warning.

*If you see an interaction that falls into the red zone, please alert an official to the situation and submit a report.*
